Career Objective

Driven and ambitious B.Tech student passionate about web development, design, and technology. With a vision to become a strong professional leader, I aim to apply creativity, technical knowledge, and problem-solving skills to develop impactful digital solutions that make a difference in people's lives.

Education

B.Tech

Adithya Institute of Technology, Coimbatore (2024–2028)

Higher Secondary Education

VIB Matric Higher Secondary School, Tiruchengode (Completed 2024)

Projects

1. Quiz Web App

Developed a responsive quiz platform using HTML, CSS, and JavaScript with interactive score tracking and clean UI.

2. E-Commerce Website Design

Created a modern and responsive online store layout featuring product pages, navigation bar, and image sliders.

3. MedAssist AI

Built a hackathon project that transforms doctor–patient conversations into structured medical reports using AI tools.

Skills

HTML, CSS, JavaScript, Python, Git & GitHub, Web Design & UI Concepts, Communication & Leadership

Interests

Web Development, Playing Kabaddi, Exploring New Technologies, Helping Others
